Saturday afternoon R. L. Jackson, colored, aged 40, and residing in Richmond, Va., met with a painful accident that will lay him up in the hospital for a month or more.

Jackson is employed as cook for E. C. Clark's surveying corps, now engaged at work on the line East of this city, and it was while assisting in loading a wagon with camp outfit that he lost his balance and tumbled out of the wagon and in the fall fractured both jaw bones.

Dr. A. O. Taylor, Company Surgeon, rendered temporary relief, after which he was taken to Clifton Forge Hospital, where he will be properly cared for.

Among the lucky ones at the Bowman land sale was Mr. Stanley Reed, who drew a hand-some rocking chair.

If there is anything that makes people in trouble tired it is to be told that people's hearts go out to them in sympathy. They do not want hearts; they want money. There are nine counterfeit of sympathy to one that is genuine.

DOCTOR ADVISED OPERATION

Cured by Lydia E. Pinkham's
Vegetable Compound

Galena, Kans.—"A year ago last March I fell, and a few days after there was soreness in my right side. In a short time a lump came and it bothered me so much at night I could not sleep. It kept growing larger and by fall it was as large as a hen's egg. I could not go to bed without a hot water bottle applied to that side. I had one of the best doc-tors in Kansas and he told my husband that I would have to be operated on as it was something like a tumor caused by a rupture. I wrote to you for advice and you told me not to get discouraged but to take Lydia E. Pinkham's Vegetable Compound. I did take it and soon the lump in my side broke and passed away."—Mrs. R. R. HUXY, 713 Mineral Ave., Galena, Kans.

Pinkham's Vegetable Com-pound, made from roots and herbs, has proved to be the most successful remedy for curing the worst forms of female ills, including displacements, inflammation, fibroid tumors, irregu-larities, periodic pains, backache, bear-ing-down feeling, flatulency, indiges-tion, and nervous prostration. It costs but a trifle to try it, and the result has been worth millions to many suffering women.
If you want special advice write for it to Mrs. Pinkham, Lynn, Mass. It is free and always helpful.

TOLLEBORO.

Elmer Dodd, who has been seriously ill for the past ten days, is improving.

Arvil T. Hamrick of Cincinnati, one of our native sons, was associated with his many friends here from Friday until Monday.

Miss Acheson Davenport of Rectorville was visiting her parents, Mr. and Mrs. John Bradley, who are in delicate health, the latter part of last week.

EAST LIMESTONE.

Many farmers are improving and beautifying their farms by adding paint and woven wire fencing.

Mr. Carter Hamrick of Tolleboro spent a few days last week with his friend and College chum, Mr. Bert Stevens, at his home at Summit.

Messrs. Bert Stevens of Summit and Carter Hamrick of Tolleboro left Monday morning for points in the West, the former for sight-seeing and the latter for health.

Messrs. Raymond Stevens, James Curtis and Charles and Franklin Williams were among the twenty-three candidates that were initiated into the K. of P. Lodge Friday night.

The sudden demise of Mrs. John Brodt, Sr., was a shock to her many friends in this neighborhood, where she was esteemed for her generous, loving disposition and Christian fortitude.

*Frank M. Gregg, formerly of Ripley, now one of the leading capitalists, manufacturers and real estate men of Cleveland, is writing a historical work on the underground railroad, an anti-slavery institution of anti-bellum days, one of whose main depots was at Ripley.

Becoming the Topic of Universal Interest

The remarkable results that are being accomplished throughout the State by the new remedy, Root Juice, is rapidly becoming the topic of universal interest. So many people are praising the remedy that the general interest in it is becoming widespread and it is now being sold in such enormous quantities that it is hard to supply the demand. It seems to soothe, heal and strengthen the stomach, liver, kidneys and bowels with such rapidity that those who have suffered for years with indigestion, rheumatism, kidney troubles and nervousness notice great improvement before they have used the first bottle.

Mr. John K. Stevens, police officer, of 1313 Summit street, Fort Wayne, Ind., said: "I am glad to be able to truthfully say that I have found the great remedy to be all that I claimed was for it. My kidneys and bladder were in a bad condition before I commenced using it and had been so for some time, but I am now glad to say that I am entirely cured. Many of the city have told me the remedy cured them."

The great remedy has cured many people at point within the last few months. It is for one dollar a bottle, or three bottles for two dollars and a half. Those who wish to know more about it and would learn of the many cures it has made, should go to J. Jas. Wood & Son's Drugstore.

Mattings!

Are the most desirable floor coverings for spring and summer use. Their low price, the fact they are cool in appearance, easily swept, do not retain the heat, are a few of their good points. Our Mattings are our own importations. The Japanese Mattings are given a very rigid examination by the Imperial Japanese Government and each piece is branded, if perfect, in burnt letters "PASSED." Don't buy any mattings unless they are so branded. If you do you will buy the damaged and rejected kind. Our Mattings are new and fresh and guaranteed perfect.

Colored Baptist Church at Lewisburg Destroyed by Fire Last Night

With a full house and when in the midst of a fervid discourse by the Pastor in regard to the dangers of sheol, consternation and excitement was created in the Lewisburg Colored Baptist Church last night by some one crying fire.

The congregation was immediately thrown into a panic, and like a flock of sheep stampeded. A rush was made for the doors, and scarcely had the last one gotten out when the roof of the burning building fell in with a crash. Fortunately no one was killed but many had narrow escapes.

The fire is supposed to have originated from a defective flue. The loss is placed at \$1,800, with no insurance, the policy having expired a short time ago and was not renewed.

KEEP away from failures, growlers and pessimists. Their disease is worse than small-pox, and twice as catchin'.—Master Printer.

ENGLISHMEN will miss a meal to see a good prizefight, so it is not strange that LORD ROSEBERRY, former Prime Minister of England, is due to head a special party of members of the House of Lords who will visit San Francisco to see the Jeffries-Johnson fight next July. Lord ROSEBERRY has arranged for a special train to take his party from New York to the Golden Gate.

PROBABLY the chief secret of President TAFT's endurance and recuperation is that he is able to drop off to sleep any time when he has a half hour to spare. On the train he can lean back and drop into slumber without an effort. In his motor car, while out for a spin in the evening, he can rest comfortably among the cushions and slumber as peacefully as a child. The cares of office do not seem to disturb his sleep. He rests when the opportunity offers. Were he afflicted with insomnia it is likely that the President would go to pieces and end his career in a sanatorium.

HAPPY RESULTS

Have Made Many Maysville Residents Enthusiastic

No wonder scores of Maysville citizens grow enthusiastic. It is enough to make anyone happy to find relief after years of suffering. Public statements like the following are but truthful representations of the daily work done in Maysville by Doan's Kidney Pills.

Mrs. Della Moran, 328 East Front street, Maysville, Ky., says:

"About seven years ago kidney trouble made its appearance in my case, the first symptom being sharp pains through my kidneys, accompanied by a bearing-down feeling across my hips and loins. Dull, miserable headaches were also common and I often became so dizzy that if I did not catch hold of something I would fall. I continued to grow worse, and I was often confined to my bed for a week at a time. No remedy I tried helped me, and I began to have symptoms of dropsy. There was an almost complete retention of the kidney secretions and my body became bloated. I had about despaired of ever being cured, when I read of a person who had been rid of a similar trouble by Doan's Kidney Pills. Deciding to try them, I procured a supply at J. J. Wood & Son's Drugstore, and obtained so much relief from the use of the first box that I continued taking this remedy until I was entirely cured. I have no hesitation in saying that Doan's Kidney Pills saved my life."
